Birthdays In February

February is the mark of a great many famous bir'days. Abraham Lincoln, George Washington, and Colonel Lindbergh are among these personages. Our birthdays may not be in February, but since these great people bring high ideals to our minds—why couldn't we start to do great things this month?

One will probably say "Oh, I couldn't free the slaves or fly across the ocean, or anything like that. That's already been done."

There are so many things that we could do that we are entirely unaware of—just to be loyal would attract others to look up to one and say "I like him. He seems to be the right sort of person."

Dr. Turner from the Normal College once stated that Henry Ford would probably give up his fortune just to be in the teen age. That is encouraging especially to those who are graduating this year. If we have the fear that we will never get any place there is, at least the thought that Youth is backing us up.

Perhaps none of us will ever become Lincolns or Washingtons, but there are always opportunities in many fields in every day life that await us.

"Valentine, Valentine

Be My Own Little Valentine"

St. Valentine's day is over, but it seems that there is still something to say about it. Some of the boys observed the day, a week before in great fashion by wearing their hearts pinned on the outside of their coats. They really had to have some way to show their affection and big-heartedness to the girls. Probably the girls would have liked to have worn hearts also, but maybe they were too shy, or perhaps they regarded the fad with complete disgust. It is earnestly hoped that the boys will not carry Easter bunnies under their arms at Easter time.

Valentine's Day is celebrated all over the world. Different countries have various ways of observing the day. Of course, the original intention was to celebrate the love and kindness of Saint Valentine. He probably didn't realize that guys of the twentieth century would wear hearts on their coats to celebrate his day, when he sent messages of goodness to the poor.

Mmm! Those Meals

There are probably very few of the pupils in Ypsilanti High School who really understand how the cooking classes under the direction of Miss Lewis, prepare appetizing meals which are enjoyed daily in the lunch-room by those pupils who do not return home during the lunch period.

The entire cooking classes are divided up into two groups. These groups work on a fifty-fifty basis.

This work teaches the girls efficiency and economy, while incidentally the students are feasting on the results of their efforts.

Germs Gathered By A Bit O' Grit

Mr. and Mrs. Now

Ruth Adlof was married Sat. Feb. 8 to Lyman LaChance. Ypsi High guys didn't give Lyman enough competition so he just swept Ruth off her feet.

Luck or Fate??

Betty Arnet and Louis Green were successful enough to get leading roles in the coming senior play. They were both given a lot of competition, stiff competition.

Watch JoAnn Bigger as the banker's daughter.

Better Late Than Never

With the J-Hop so near don't be surprised if you see Ypsi High girls up at Roosevelt or Roosevelt boys down here. They will only be making their last minute dates.

Religious??

Betty Backus and Melvin Kenady meet in church (evening service) and then Melvin walks home with Betty. She asks him in to read the funnies to him. (Don't ge me wrong they really find lots to do.)

The Woman With the Deep, Dark Past

Harry Steinberg is interested in Nancy Kleinfeld who is also interested in Chemistry, Astronomy, etc., and of course that is what Harry likes. Harry revealed to the press that Nancy has a deep, dark past (Hold that secret Nancy and watch out, because Harry always gets what he goes after).

A Bit Of Society

If you are somewhat in doubt of whom someone (no one in particular) is going around with, just wait

There Will be a HOP Time In The Old Town This FRIDAY NIGHT

until Feb. 21 and look in at the J-Hop. Everyone is going to be there with their latest heart throb.

Mystery

Lionel Fulton and Bob Gooding have a plan for the next Student Council party. They are planning a mysterious woman. Bob has been seen purchasing a pair of women's gloves, and a wig (?). We wonder if Bob could be.....We wonder????

More Expense

Mr. Hill lets speech work affect him to his very depths. Just recently he got so worked up in a class that he broke two rulers in the same hour.

New Pupils

The Junior class has had an addition since the beginning of the second semester. Two new girls, Lavonne Witting, and Catherine Schlecht. Both of the girls are from Ann Arbor High. Louie Sharow, also a Junior is from Western High in Detroit. All three are in Miss Parish's home room.....if you would like to get acquainted.

There is also a new Freshman girl, Patty Scott. A red head, boys!

Victors Regardless

With the absence of Bill Wales Friday night the basketball team had to play extra hard to fill up the gap left by Bill. They did play harder and showed these Wayne boys just how good they really are.

The second team also did some good playing and came out on the top.

Ypsilanti High Band Will Play At Track Meet

Ypsilanti High School band has again been invited to play at the Michigan Amateur Athletic Union track meet Feb. 18 in the Yost Field House at Ann Arbor. Saved By The Bell

Hear dem bells, oh, don' you hear dem bells?
Dey are ringin' out de glory of de Lawd."

* * *

Mr. Wiltse is beginning this new ballad now. It seems he wore "The Music Goes 'Round and 'Round" out. (Perhaps someone got dizzy?)

Rumors have it that Marjorie Rodenberg stuck gum in the office controls one day last week and immediate results were far-reaching and consequently well known. First the bells rang every two or three minutes and then they rang for two or three minutes.

Mrs. Ervin says that Seymour Gordon was busy with a speed test in typing when the bell rang and he shifted the carriage of his machine so hard that he sprang the frame into a sort of off-set position.

George Cobb was just sitting there, hypnotized (?) by Mr. Hill's forensic extravaganza, and he jumped his chair three rows back.

We are assured by Mr. Wiltse that it won't happen again, though; he has already "fixed" the bells (not of St. Mary's).

Seniors Undefeated In Basketball Game

The first round of interclass basketball has come to a close with the Seniors in first place with no defeats. The Juniors, Sophomores, and Freshmen are tied for second place with one win and two defeats.

In the last game of the round the Seniors defeated the Freshmen by a score of 37 to 8 while the Juniors defeated the sophomores by the score of 15 to 12. There are still two more rounds to be played before the championship will be decided.

New Name Chosen

Due to the fact that the name first chosen for the Senior Annual was not satisfactory it was decided to call it the "Pioneer."

This name was picked because of the Centennial celebration of the founding of the old Ypsilanti Seminary and also of the 100th Anniversary of Michigan's entry into the Union as a state.

The theme therefore will be of pioneering days and early life in Michigan.

SAD TALE IN RHYME

Mary had a little cold, but wouldn't stay at home, And everywhere that Mary went, the cold was sure to roam; It wandered into Molly's eyes and filled them full of tears. It jumped from there to Bobby's nose, and thence to Jimmie's ears. It painted Anna's throat bright red and swelled poor Jennie's head. Dora had a fever, and a cough put Jack to bed. The moral of this little tale is very quickly said— She could have saved a lot of pain with just one day in bed.

A GRAMMAR LESSON

You see a beautiful girl walking down the street. She is singular and you are nominative. You get a feeling to which you are subject. Soon she becomes your object. Feeling possessive you talk of the future; she becomes accusative and you kiss her. Suddenly things are tense.

Her father is present and his foot becomes active and you become a past participle.
